### **Eastleigh Pirates Vs Overton**

Overton started well when after just 6mins an offload from **Wasser** found **Toby Small** to run in for a try **(5-0)**. Overton then came under a sustained period of pressure but held a number of scrums against what appeared a heavier pack. The pressure was relieved on 22mins when **Small** kicked on a loose ball and followed up to ground it with **Wasser** converting from beneath the posts **(12-0)**. Just 2mins later **Tom Gough** picked up a stray Eastleigh pass and ran 35 yards to score with **Wasser** again converting from wide right **(19-0)**.

HT

Eastleigh started the second half the stronger but after 33mins a great pick up on his own line by **Ollie Maxwell** allowed Overton to break with a neat passing move ending in **Small** completing his hat-trick of tries **(24-0)**. Further pressure from Eastleigh saw their number 10 burst through for a deserved consolation try which was well converted **(24-7)**. **Matt Sims** intercepted a pass which set Overton forward again and after the forwards had gained ground **Wasser** ran over and converted **(31-7)**. To their credit Eastleigh did not give up and the number 7 got over in the corner to add to their score **(31-12)**

Man of the Match – No individual, but a good all round team performance.
